

# Introduction à l'économétrie: Application R

Université Paris-Dauphine Master 111

Yeganeh Forouheshfar

## Références et manuels en ligne :

- Comprehensive online manual with a section dedicated to Likert data:  
<https://rcompanion.org/handbook/>
- <https://iqss.github.io/dss-workshops/Rintro.html>
- <https://www.econometrics-with-r.org/>
- <https://www.princeton.edu/~otorres/>

And of course CRAN as official source:

- <https://cran.r-project.org/manuals.html>
- <https://cran.r-project.org/other-docs.html>
